

Wilson County Democratic Party

Bi-Weekly Newsletter, May 30th 2023

Hello Wilson County Democrats! There are lots of opportunities in the coming weeks to get involved and spend time together in the community. Many of these events are a great opportunity to encourage new people to get involved. We all know the coming election season will be long and we need every person who is able to help turn Wilson County and North Carolina Blue!

On May 20th, Democrats from all over the First Congressional District gathered at Edgecombe Community College. The delegates unanimously elected Wilson County's Chris Hardee as the new District Chair. The delegates also approved the three resolutions that passed during the Wilson County Convention: calling for more restrictions on firearms; upholding a woman's right to choose; honoring Gov. and Mrs. Hunt for their stellar and steadfast devotion and support to our state. Lastly, the delegates heard comments from Congressman Don Davis that were delivered virtually. Unfortunately, delay in travel prevented the congressman from being able to join us in person; however, Congressman Davis reminded all in attendance that we have the right person representing us in Congress. Democrats from the First Congressional District had a successful convention and left ready to work to support Democrats in the district.
